

This week in class: They all did very good reading their papers in class today. We had some fun playing a game reviewing grammar and sentence structures we have talked about the last few weeks.

I also handed out 5 reference papers today in class. We went over all those together but make sure your child understands what to do.

Co-op 4 Report Writing (Weeks 8,9)

- Complete daily grammar lessons for unit 8 and 9.
- Practice dictation at least 3 times.
- Read in Writing Aids about **Report Writing**. Look at how to use **Report Chart** and **Report Grid**. You may use the Report Chart as pre-writing before using the Report Grid. We went over the chart and grid in class.
- Use Report Grid to prewrite. Here are some choice topics.

Tabernacle

10 Plagues

10 Commandments

Egyptian mythical patrons

Mesopotamia civilization

Sacrifice of animals in the Temple

Major Jewish Holidays

I am fine with any history topics we have studied since week 1 as long as they haven't done that topic yet this year.

- Use your report grid to write a report. **Your report should have an introduction, 2-3 body paragraphs, and a conclusion.** Depending on your child's ability you can choose 2-3 body paragraphs and 2-3 sources.
- Polish final draft, don't forget to check your sentences, check spelling, and add in dress-ups. File under Completed Work, then turn in at co-op.

Due Next Co-op: Final draft of report paper with introduction, 2-3 paragraphs, and Conclusion
