**MAPS:** Geography plays a large role in these next few weeks. I would like you to create an overlay for your map of the Middle East, and one for the map of Israel I gave you in co-op 7. On your overlays create regional boundaries for the following empires. If you have the Holman Bible Atlas it will be very useful in this exercise.

- |              |              |
|--------------|--------------|
| -Hittites    | -Edomites    |
| -Ammonites   | -Amorites    |
| -Moabites    | -Philistines |

***Please answer the following in preparation for class discussion. In addition to these please complete all of the Accountability Questions for the weeks covered this co-op session.***

- 1) Fill out the chart on the next page for each of the empires.
- 2) How were the Philistines able to grow in military might during the period of the judges?
- 3) In your opinion, why, after all the years of history, did the Israelites desire a king at this juncture?
- 4) Read 2 Samuel 7:1-17. List the promises the LORD made to David.
- 5) The Bible says, over and over, that David was a man after God's own heart. He desired to build a temple for the Lord. Read 2 Samuel 7 and 24. List examples of how David displayed his heart for God, especially when it was hard for him.
