In class today we went over new items:

Summarizing a Reference:

Some-a-rize! No key words, just facts from the source text. What do you think are the most interesting facts? Choose 4-7 details. 3 words max per line. Add topic sentence and Clincher sentence. Repeat to reflect 2-3 key words.

Reviewed Dress ups: No new ones. We reviewed the ones listed on the checklist and practiced using those in our papers.

Practice Diagramming: Not too many were excited to do this. But we had extra time in class so we practiced some diagramming. They did good!

Please mark how many dress ups you have on the checklist and on the paper underline the dress ups. That would help me out a lot while grading eight different papers. Thanks.
