

Colonies Brochure Project

For Co-op 12 (2/23/17) you will be designing a travel brochure for one of the 13 original colonies. This can be an informative piece or it could have another purpose – perhaps a marketing piece to attract new settlers to your colony.

Topics you could cover might include (but are not limited to):

- Founding of the colony
- Geography (native plants, animals, climate)
- Religion (what part did that play in the colony?)
- Relationship with natives
- Economic opportunities
- Perhaps highlight a few important, early settlements in the colony
- Perhaps you'd like to include a map of the colony
- Pictures (these can be hand drawn, cut and paste copies, computer images, etc)

You are welcome to design the brochure in any way you'd like – handwritten and drawn, computer generated, folded in whatever way you'd like – let your creativity shine as much as you'd like here. Please use an 8.5 x 11 sheet of paper for your project.
