

***From Mrs. Hunt's Classical Composition Class during Co-Op 13***

*This week in class we learned about metalepsis.*

***Metalepsis: Show don't tell***

**Tell:** I was scared

**Show:** Goosebumps appeared on my skin.

**Tell:** I was hungry

**Show:** My stomach grumbled.

**Tell:** I was sad

**Show:** Tears streamed down my face.

In order to use metalepsis, you **MUST** incorporate one of the five senses into your sentence (taste, touch, hear, see, smell)

For more information, see Page 150 in your Classical Composition workbook
