

Pre-Rhetoric Literature for Co-op #16

In preparation for our final co-op, students will read *Justin Morgan Had a Horse* and complete the two corresponding literature SAPs (Pg 18 of Week 35 and Pg 17 of Week 36).

In our final class we review the SAPs and play a game with information from the books we've read this semester AND the literary terms from last semester, so be sure to revisit those terms.
