

Tapestry of Grace 2017-18
Writing level: Narrative Stage

Dear Parents,

This year we will continue using the Classical Composition curriculum for the bulk of our writing. Building on the Fable Stage, we will move into the Narrative Stage. Additionally, we will be covering paragraph structure, essay structure, poetry, and creative writing. While some of the material is review, new concepts will be introduced and integrated into bigger and more difficult writing projects than they have been assigned previously. Each year it is TOG's objective to advance the student's capabilities in preparation for the upcoming years of rhetoric writing.

There are no materials required for this class except the textbook. I will be giving handouts at every class and also posting information on the forum. Any changes to the syllabus will be posted on the forum.

Please email me with any concerns or questions. I greatly look forward to working with each of your children this upcoming year!
