For co-op 4, prepare for your South American independence presentation. For your assigned country, you will want to be prepared to present information on 3 different time frames: Pre-Columbian Era, Spanish Era, and Independence. Focus most of your efforts on that country's struggle for independence. You'll want to include information on people groups and political structure/power/leaders (not natural features and resources). Please prepare 3, 8.5 x 11 sheets – typed or handwritten in large script – as visual aids for your presentation. Below is a sample of how this would look if you were doing the United States:

<ul style="list-style-type: none"><li>▪ Native Americans</li><li>▪ Tribal Leadership</li><li>▪ No central government</li></ul>	<ul style="list-style-type: none"><li>▪ European Colonization</li><li>▪ Religious Freedom</li><li>▪ Economic Opportunity</li><li>▪ Under British Rule</li></ul>	<ul style="list-style-type: none"><li>▪ No Representation</li><li>▪ Declaration of Independence (1776)</li><li>▪ Won Revolutionary War</li><li>▪ Constitutional Government</li></ul>

The visual will help students with a chart that will be filled out in class and will be your main talking points, **but please be prepared to expand on those points – not just read them.** Your presentation should last about 3 minutes.

**Questions: (You may answer these below with neat handwriting or type your responses.)**

1. Who was Simon Bolivar and how did he become passionate about the fight for South American independence?
2. Which countries made up Bolivar's state, called Gran Colombia?
3. What were the factors that brought about the declaration of the Monroe Doctrine? What did it communicate?
