

## Lit & Geo for TOG Co-op #13

**Memorize the definitions for these literature terms** (three terms are new and two previous terms from last semester have expanded definitions).

- **Exposition:** a literary device used to introduce background information about events, settings, characters, or other elements of a work to the reader.
- **Rising action:** a series of relevant incidents that create suspense, interest, and tension in a narrative.
- **Climax:** a very exciting section of the story where the main conflict or crisis reaches its peak
- **Falling Action:** occurs right after the climax, when the main problem of the story resolves
- **Resolution (Denouement):** how the story ends usually involving the solution of a complicated issue in a story.

**Read *The Jungle Book*** by Rudyard Kipling

**Complete SAP 29** after reading “Tiger! Tiger!” and “The White Seal.”

**Complete SAP 30** after reading “Rikki-Tikki-Tavi,” “Toomai of the Elephants” and “Servants of the Queen.”

**NOTE:** *While we are using the SAPs that go with this book, more advanced students should expound their answers on a separate sheet of paper rather than limiting themselves to the space on the SAP.*

### Geography

Learn the capitals that go with the REST of the 50 States. I have added several more study sets to the Geography folder on Quizlet. Whatever method you’ve found that works best for you, continue to use it until you can both speak and spell the capitals and pair them with the right states. Also, don’t forget to keep drawing!
