

## **Art and Music and Architecture**

Tapestry of Grace – Year 2

Pre-Rhetoric

Required Resources:

*Art & the Bible* – Francis Schaeffer

*The Story of Architecture* – Jonathan Glancey

Access to Internet for YouTube and specific websites

Spotify – a website/app where you can build your playlists of music, set up a free account and I will be able to share playlists with your family.

Helpful but not required (depending on your family's interest)

Art books with famous paintings and sculptures

Composer biographies

The art, literature, music, and architecture created during any time period is directly connected to the philosophies and theology of the era. The arts are both influenced by the times and contributors to the times.

During our 8 class periods, we will talk about art, music, and architecture of the Middle Ages, the Renaissance & Reformation, the Baroque period, and the beginnings of the NeoClassical era.

There will be homework: light reading, studying pictures, and listening to music and composer biographies.

Pre-Rhetoric & Rhetoric students will do a Shakespeare project mid year.

Pre-Rhetoric will also do a writing or poster project on an artist, composer, or architect during the year.)

Supplies: a half inch three ring binder with 4-5 tab dividers
