

## Co-op 1 Assignment

### Reading/Notetaking:

Complete reading as assigned by your parent(s), taking notes as needed for key figure cards, assigned questions, and personal interest.

### Geography:

No geography assignment for this co-op

### Timeline Work:

Please add the events/dates listed below to your timeline. Please use the top half of your timeline for US events and the bottom half for other world events throughout the year. You may choose to use colored pens/pencils on your timeline as desired and may want to consider your own color coding system (religious events, wars, presidents, territorial changes, etc) – this is entirely a personal choice to do or not do as desired. Please don't feel limited by the dates listed below. You may add other dates as desired – perhaps you are reading about the Wright Bros. or Panama Canal – feel free to add dates related to any topic about which you're learning.

- 1901 Queen Victoria dies, Edward VII reigns
- 1901 President William McKinley is assassinated
- 1901-1909 Theodore Roosevelt is president
- 1909-1913 William Howard Taft is president
- 1913-1921 Woodrow Wilson is president
- 1914 Assassination of Archduke Ferdinand sparks World War I

### Key Figures Cards:

Cut out the following key figure cards and complete as much of the top portion as possible. You may begin listing important facts/events, but please leave room to add to this as we will be discussing the difference between interesting facts and important facts at our first co-op.

Theodore Roosevelt

William Howard Taft

Woodrow Wilson
