Notes:				

Theme for Worship: Revelation and Four Hymns

The Tapestry Year 4 Curriculum calls for reading the Book of Revelation toward the end of the year. Few of us every get to that as we are trying to wind down our school days. This year, we are going to use Revelation for the basis of our worship. We have picked four hymns from the 20th century to sing.

Guidelines:

1. Worship/Announcement time is shorter this year. Total time for devotion and song is 10 minutes.
2. Sign up for a passage from Revelation. Copy and paste with each family.
3. Each family needs to do at least one.

4. Hymns:

Unit 1 Joyful, Joyful We Adore Thee

Unit 2 Great is Thy Faithfulness

Unit 3 How Deep the Father's Love for Us

Unit 4 In Christ Alone

We have several pianists and guitarists in the group. We can also sing a capella.

5. We are not expecting any deep theological research into the prophecies and hidden meanings in Revelation. In fact, we would prefer you steer away from anything that might be theologically controversial. The passages chosen are powerful on their own and can simply be read with a small bit of commentary. We mostly want to be reminded of the promises that are faithful and true. You may choose a single verse for focus or read the whole thing.
