

Let's continue working on our Medieval Newspaper!

1. Everyone:
  - a. Write 2 to 3 sentences on what you have learned in grammar class.
  - b. Make any needed adjustments to your newspaper article and paste it to your favorite color of construction paper. This will be the final product! We will be posting these on the newspaper board in class next co-op. Please create or print a picture to go with your article.
  
2. Sixth graders:
  - a. Write a fun section for the newspaper, edit it, create a final draft and post it to construction paper. Provide any needed pictures to go with your section. 💡  
classifieds, wanted/missing ad, message from the Pope, obituary, update on the crusades, warning about the plague, etc.
  - b. Posted below are the assignments that you signed up for in class:
    - i. Ella Grace – wanted sign for Robin Hood
    - ii. Abigail – classified ad for horses
    - iii. Yemi – events calendar
    - iv. Kinsley- missing ad
    - v. Titus- undecided

I was hoping we would have this completed for the unit celebration. We still need another class to finalize it. Hopefully, we can have this on display for the potluck!
