

Name Plates: List at least 5 observations about these map “Nameplates” such as how they are composed, the writing styles, the information provided, what auxiliary items appear on them.

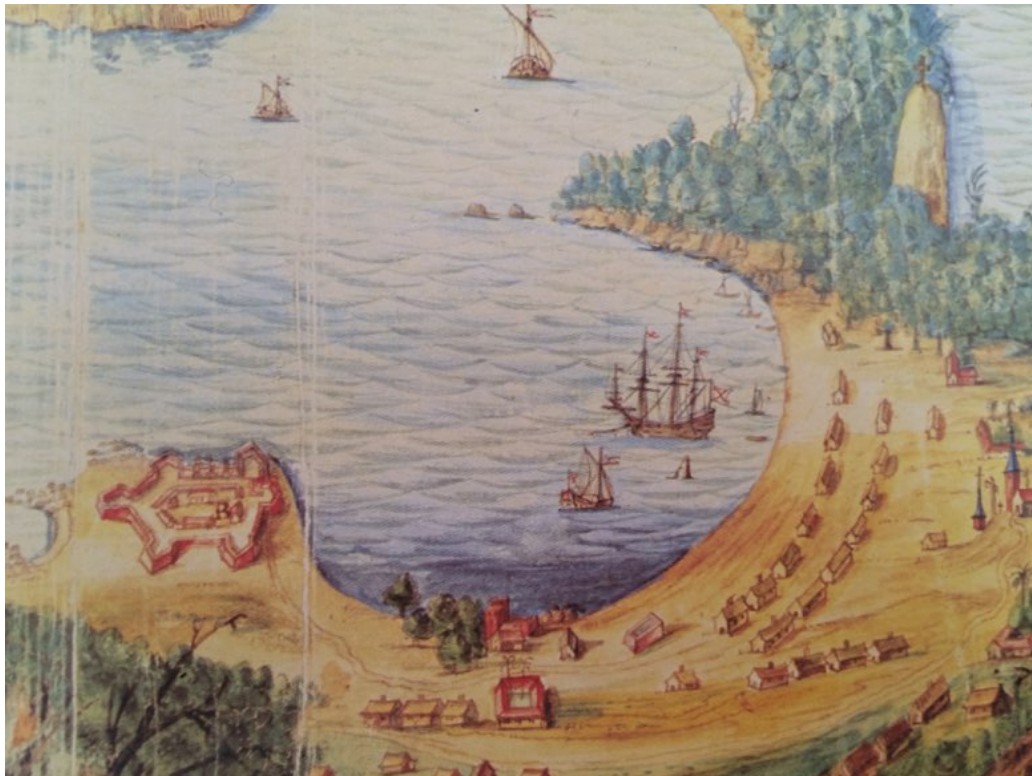

Compass Rose: What is it... and What do you notice about them in these maps?

Water, Mountains, Shoreline, Land Areas: FOR EACH of these items, list at least 3 observations about how these are portrayed on the maps (you may also use the previous maps as well if you like). If you choose, you may sketch comparisons if it is easier than describing it.

Extras: Many maps have fancy borders, or extra items... Make a listing of 10 “extra” items you find on any of the maps provided and tell why you think they are included.
