

## Pre-Rhetoric Assignments for Co-op 4

We will use the next three weeks to read *Men of Iron*. Please note that our literature assignments are one week ahead of our other TOG work, so the *Men of Iron* assignments and SAPs will be found in Weeks 8 and 9.

- Make corrections to SAP 6 & 7 that you received back after Co-op #3. Bring the corrected SAPs to the next co-op for full credit of your work.
- Read Chapters 1-11 of *Men of Iron*
- Complete SAP #8 (P. 17 of Week 8). Support your answers with specific examples and the chapter where the example is found.
- Memorize the definition of satire and irony.
- Preview SAP #9, then begin reading Chapters 12-23. Take a few minutes to summarize each chapter before you start the next, per the instructions on SAP #9. Use a separate sheet of paper.
- Review definitions of literary terms you've been assigned to memorized (Week 1 to present)

**Staple this assignment sheet along with your work to be turned in during class.**

**Don't forget to include corrected SAPs 6 & 7.**
